FOR IMMEDIATE RELEASE

NOTIFICATION OF UPCOMING PICKETING AT MINISTRY OF EDUCATION ON 11TH JUNE 2026

The National Association of Institutional Suppliers (NAIS) wishes to formally notify you of our upcoming picketing at the Ministry of Education on 11th June 2026. This action is necessitated by the prolonged non-payment of outstanding payments owed to our members for the supply of uniforms, house dresses, and school cloths to various public Senior High Schools under the Free SHS program.

Since 2023, NAIS members have not received payments totalling approximately 50 million Ghana cedis for services rendered. Despite numerous efforts to resolve this issue, including appeals to relevant authorities, the situation remains unresolved. This has caused severe financial hardship for our members, threatening their ability to continue providing essential services to schools.

The picketing aims not only to draw the government's attention to our plight but also to urge the immediate release of funds owed to NAIS members. We believe this peaceful demonstration will highlight the urgency of the matter and prompt swift action to settle the outstanding payments. We kindly request coverage by your esteemed media house. Your support will help ensure our concerns reach the appropriate stakeholders and prompt responses to our demands.

We count on your usual cooperation and look forward to your presence at the Ministry of Education on 11th June 2026.

Yours sincerely,

Emmanuel Ayivor
